

Dear Supporter of Protestant Reformed Special Education,

The Board for Protestant Reformed Special Education is thankful to God for the privilege of educating our covenant special needs children in our schools where His Truth is taught. We believe that the power of the Holy Spirit is able to work the Truth in the hearts of all of our children, regardless of their limitations. We are striving to provide each special needs child the opportunity to attend a Protestant Reformed school. It is with great joy that we have seen more and more of God's special needs children given a place in our schools, thanks to your support. We are also thankful to continue to share in the privilege of providing financial aid to resource rooms in our schools.

The cost of giving our special needs children a place in our schools is high and therefore we humbly ask that you once again consider sharing in it, as part of the body of Christ. With great appreciation to you, our supporters, and with great joy we report that our drive goal of \$370,000 was exceeded with receipts of \$386,241 last year. We are also very glad to report that our goal of \$120,000 from church collections was exceeded with receipts of \$134,077. And we are very thankful for the many other gifts and memorial contributions.

The 2022/2023 school year is underway and we place before you the financial needs of the Society for this school year. This year's budget is set at \$601,522. **In order to fund this budget, we have set a goal of \$370,000 to be collected in this year's deficit drive.** The balance will come from tuition, gifts, and collections. We pray that, by God's grace, we may once again reach our goal for this school year. We ask that you prayerfully consider this cause as you consider the financial gifts God has given to you. Funds this year are budgeted for the following schools:

**Resource/Discovery Rooms:**

- Adams CS - \$16,689
